

108. Surah Al Kauser (The abundance of good)

In the name of **ALLAH**, The Most Gracious, The Most Merciful!

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

إِنَّا أَعْطَيْنَاكَ الْكَوْثَرَ ﴿١﴾ فَصَلِّ لِرَبِّكَ وَانْحَرْ ﴿٢﴾ إِنَّ شَانِئَكَ هُوَ الْأَبْتَرُ ﴿٣﴾

This Sura was revealed at the time when Prophet (PBUH) was sad because of the death of his only two sons, and because of the maximum resistance to God's spreading Almighty God's message by his opponents

إِنَّا أَعْطَيْنَاكَ الْكَوْثَرَ ﴿١﴾

1: O' Prophet (PBUH) WE have surly bestowed upon you good in abundance (Kausar)

Abundance of good, Spiritual limitless benefits and blessings

Kausar is a huge fountain (water body) in Jannat and it is one of the blessings. The water in the pond of Kausar originates from Kausar spring.

On the day of Judgment, the good people who accepted Almighty God's message and followed Prophet (PBUH) will be drinking from the Kausar

Prophet's (PBUH) followers (Umma) will gather at the fountain of Kausar to quench the severity of their thirst on the Day of Judgment

فَصَلِّ لِرَبِّكَ وَانْحَرْ ﴿٢﴾

2: Offer prayers and sacrifices to your lord alone

Whenever we receive any blessings from Almighty God we should thank Almighty God

Gesture of thanks includes prayers and sacrifices. Sacrifices can be of many kinds apart from Qurbani (of Dhu-AlHajjah), we can also sacrifice (share) our wealth, knowledge, time and efforts for the benefits of others irrespective of caste and creed

إِنَّ شَانِئَكَ هُوَ الْأَبْتَرُ ﴿٣﴾

3: Verily! your enemy alone has been cut-off from the root

When The prophet (PBUH) lost his only two sons, his enemies were rejoicing and saying that prophet (PBUH) has become rootless, there will be no continuation of his generation and mission

In reality it was actually the enemies whose roots were being eliminated i.e. they were losing followers
