

114. Sura Al-Naas (Mankind)

In the name of **ALLAH**, The Most Gracious and The Most Merciful!

Sura # 113: Al Falaq and 114: Al Naas are to be read jointly because each one of these suras is asking for Refuge from different kinds of Evils

In this Surah we are asking for **ALLAH (SWT)** refuge or asking **ALLAH (SWT)** to take us in 'HIS' shelter, protecting us from the following evils: (1) The evil of misleading suggestions. (2) The evil suggestions that are constantly repeated by the Shaitan in our hearts or by Human Beings. (3) The evil suggestions that can come from Jinn or Human Beings. The Surah tells us that Shaitan and people of evil nature are always against the good deeds of Human Beings and they whisper wrong suggestions.
